Belleair Country Club Turf Care Center

BELLEAIR COUNTRY CLUB TURF CARE CENTER · BELLEAIR, FL

THE PROJECT

This 17,020 SF project called for demolition of existing structures and the construction of 3 new structures. A Pre Engineered Metal Building with split face block/metal walls and standing seam roof, housed offices, mezzanine storage, equipment parking & a place for and equipment storage and repairs. A fuel Island and fertilizer storage building completed the project.
