Oakhurst Park

OAKHURST PARK · SEMINOLE, FL

THE PROJECT

Caladesi Construction was awarded the opportunity to renovate the pump/storage building and construct a neighborhood park. The project also entailed site work consisting of drainage, utilities, concrete walkways, parking and driveway pavement, site lighting, fencing and landscaping. Caladesi fashioned a beautiful and welcoming park around the tank and building by creating winding walkways amid decorative landscaping welcoming Pinellas County to safe and enjoyable park for pedestrians.
