

# Pasco Hernando Community College Spring Hill, Florida

---

**Job Location:**

450 Beverly Court  
Spring Hill, Florida 34606

**Job #:**

0915

**Client:**

Skanska USA Building, Inc.

**Completion Date:**

2010

**Caladesi Team:**

Rick Lawson

Caladesi furnished and installed this energy efficient maintenance facility at the new Pasco Hernando Community College Campus in Hernando County. The 5,040 square foot Butler building has a CMR24 roof system and a Texturewall wall panel system.

This wall panel provides the appearance of stucco on the exterior, insulation in the middle and an embossed white metal liner on the inside for a finished look.
