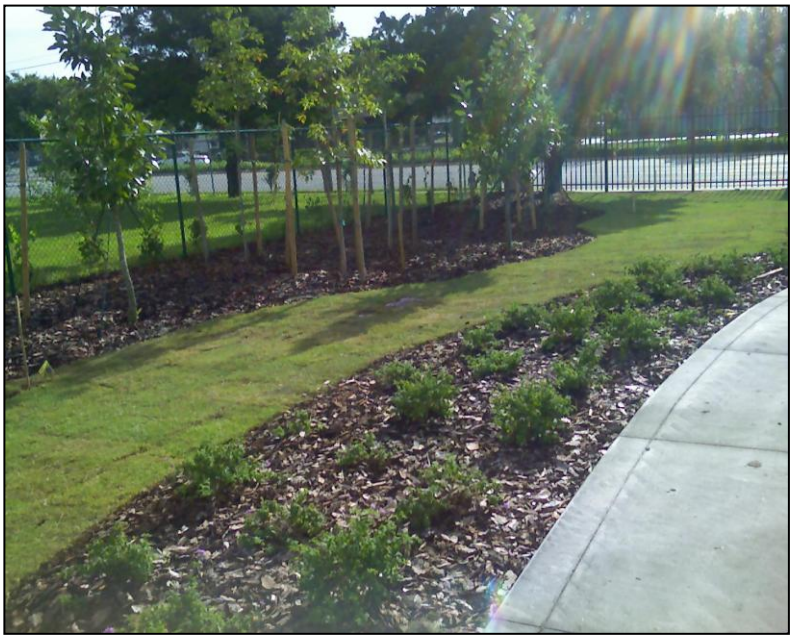
14 S. Ft. Harrison Avenue
Clearwater, Florida 33756

Completion Date:
2009

Caladesi Team:
Kurt Hinrichs

D. Wayne Wyatt

Vincent Baker



This project could be more accurately described as a transformation of a patch of ground beneath a water tower into a beautifully landscaped greenspace.

Caladesi Construction made substantial improvements to the site's drainage, then created walkways to make this area safe and enjoyable for pedestrians. Located in one of the busiest areas of Pinellas County, Caladesi is proud to have helped create a beautiful and useable park setting for all to enjoy.
